MEMORANDUM FOR: Director of Central Intelligence
THROUGH : Deputy Director for Administration
SUBJECT : Attendance at Office of Security Staff
Meeting, Thursday, 30 January 1975, 2 p.m.

1. We very much appreciate your planning, despite your extremely tight current schedule, to visit our weekly staff meeting next Thursday afternoon. The direct involvement of Office of Security activities in current and forthcoming Federal hearings, together with broad allegations of impropriety being made by the media, have caused serious concern among Security careerists. Your visit, together with any reassurances you can give, should provide a much needed boost to Office morale.

2. In addressing topics of immediate concern to our personnel, you may wish to consider touching on the following subjects:

a. the future of the Agency, the Office of Security, and specifically, our investigative activities in the light of alleged illegal Agency domestic activities;

b. your views with reference to the legal culpability of Office of Security employees who took part in questionable official activities on those rare occasions in our history where we may have overstepped our bounds;

c. your views or estimate on the duration of the hearings.

3. We look forward to seeing you on Thursday.

Charles W. Kane
Director of Security
